ROLLING THUNDER MISSION STATEMENT

Rolling Thunder®, Inc. is a non-profit organization dedicated to raising public awareness of POW & MIA issues in order to help correct the past and protect the future veteran's from being left behind should they become prisoners of war or missing in action. Secondly, we are committed to helping disabled veterans from all wars any way we can.

Rolling Thunder was incorporated as a non-profit organization in 1995 and is headquartered in New Jersey. Today, the organization has over 7,000 members throughout the United States, with a few in Canada. There are over 80 chartered Rolling Thunder chapters in the continental United States and the numbers continually grow. The chapters are strictly governed by the Constitution and By-Laws of the organization, with committee members working on issues that include; Government Affairs for the POW/MIA issue, Gulf War and Korean War Affairs, Veterans Community Assistance, School Education and Junior Members Youth Programs.

Rolling Thunder believes in the Army Ranger Creed that vows: "I will never leave a fallen comrade to fall into the hands of the enemy..." Rolling Thunder will continue to grow and gain strength as long as even one person remains unaccounted for.
